Hello Everyone:

With the state easing some of the restrictions on the number of people that can assemble at any given time, we still feel that it would be in the best interest and safety of the club members not to have the February monthly membership meeting. Monitoring the COVID on a monthly bases will continue and a determination will be made when the board feels it would be appropriate to resume the monthly meeting. As usual the monthly board meetings will continue to discuss club business.

The painting of the interior of the trap house has been completed. Ceramic tile that was donated by Pete Dennis to the club, will be installed behind the stove, along the counter top and where the coffee pot sets in the trap house. Pete Dennis will also be donating his time to install the tile. Also a cleaning service has been hired to scrub, clean and wax the floor.

A thank you goes out to volunteers Joe Griffin, Steve Roop, Jim Serovy and Pete Dennis for helping remove tables and other items to the garages for the painter to get started this past week. Also want to thank Jack Miller and his helpers for getting the majority of items out of the building for painting.

On Wednesday this week volunteers are getting together to hang the mounts back on the walls in the trap house as well as other items. Should only take a few hours. This is being done in order to get a few more items out of the way for the cleaning of the floor. Will be out there around 8:30AM – 9:00AM.

At this time the plan is to still have the Father's Day sleep over on Saturday June 19th to Sunday June 20th 2021. Further details will be given out as time gets closer.

The Cash Bash this year is schedule for Saturday July 10, 2021. State mandates will determine if or how we will conduct the Cash Bash.

We are still planning on having The Saturday Afternoon Outing on Saturday September 25, 2021, depending on the state mandates at that time for crowds. If state mandates only allow small crowds that will determine if we will be able to have this fund raiser.

Pete Alukas is working with the Manteno Veterans Home to have a few of the residence come out to the club in November if the state will allow. The date for the veterans will be Wednesday November 10, 2021 11:30 AM to 2:30 PM. Further details will follow as time gets closer.

The previous mentioned activities are three things that we have done in the past with the exception of last year, and are going to try and do them this year. If any other activities are schedule we will let the membership know as soon as possible.
